

# Guide to Private Schools

Although the calendar says “January,” there’s no mistaking that, as a parent concerned with your children’s education, you’re looking ahead to the next school year. Whether you’re seeking the best private school for your child’s needs or good public schools, including magnet and fundamental schools, this is the time to take stock and make critical choices regarding your child’s education.

Here, *ParentGuide*® offers our readers a comprehensive listing

of key information for some of the best schools in Tampa Bay. Our listing includes both private and public schools, many of which start as early as preschool and go through high school. We invite you to not only read the information listed here, but to contact the schools directly to get all of your questions answered. After all, this is one of the most important decisions you will make for child’s future success.
